Ref. 1LS02011-X

€ 415 000

New seafront apartments in a private condominium for sale in Olhão, Algarve. Created with carefully designed finishes, the apartments benefit from a unique view of the Algarve coastline, and each has a large living room connected to a fully equipped kitchen, suites with oak floors and a balcony that invites natural light to illuminate its interiors. The communal areas of this project have been designed so that residents and their families can enjoy life to the full, especially in the summer, with elegant gardens that unite with the lounge areas surrounding the main pool, two swimming pools with panoramic sea views and a heated pool ideal for any time of year. With a total of 126 apartments, of types T1, T2 & T3, spread over 4 bl...
