EXTENSIVE URBAN PLOT WITH GROUND FLOOR BUILDING, FOR SALE IN BOLIQUEIME, ALGARVE

Ref. 1LS02068

€ 700 000

This large urban plot of 9020 m2 with ground floor building is located in the high hills of Boliqueime, Algarve, with views over the mountains and the sea. This fantastic buying opportunity is ideal for larger constructions, as it is isolated and also has the possibility of extending the construction area. To the south of this plot, you can see the Atlantic Ocean and the lights of the surrounding towns. On the opposite side, you can see views of the mountains surrounding the plot, with their varied vegetation and trees. Located in a peaceful area, this is a prime location for building one or more detached houses, or related projects such as rural tourism or other types of exploration. This plot is located just 5 km from Boliq...
