€ 1 116 000

In one of the most sought-after areas in the Algarve for its natural beauty, we find a new modern and unique development, Quinta Heights, in the municipality of Lagoa, strategically placed between Carvoeiro and Ferragudo. The excellence of the architecture makes it possible to transpose the beauty of the exterior into the interior in a harmonious way. The three-bedroom apartment has straight lines, a simple and minimalist design, but with high-quality finishes and attention to the smallest detail, which, combined with the development's unique and exclusive natural surroundings, makes this apartment an excellent choice for living or vacationing, surrounded by unspoiled nature, countryside, mountains and sea. The apartment, equipped ...
