Farm located on the Costa Vicentina, with 15 hectares and up to 500 square meters of construction viability. Ideal for agro-tourism or the construction of a sustainable, environmentally-conscious rural hotel. Land with excellent conditions for sustainable agriculture or organic agriculture. Production of wine could also be a viable option. A few kilometers from the best beaches of Costa Vicentina, such as the Amoreira beach, Odeceixe, and Arrinafa, and with easy access to major highways.
