LAND WITH RUINS, FOR SALE IN THE ALGARVE, PORTUGAL

Ref. 2LS00234

€ 15 000 000

Large mixed plot of land with ruins and a hermitage, located a few meters from the Funcho Dam, in the most unspoiled landscape of São Bartolomeu de Messines, in the Algarve. It is a large estate, marked by an atmosphere of absolute tranquillity, ideal for the development of an excellent tourism project. The property includes unique elements - such as a graceful hermitage and various ruins scattered throughout the land - which give it an authentic character and a strong historical identity, perfect for incorporating into a concept of nature tourism or a wellness retreat. The estate already has a preliminary study for the implementation of an Isolated Hotel Establishment, offering the investor a solid conceptual basis and a favorab...
