HOUSE TO RESTORE FOR SALE IN LAGOS, ALGARVE, PORTUGAL

Ref. 2LS00261

€ 1 000 000

Villa with high investment potential, destined for reconstruction, located in a quiet area of Lagos, in the Algarve. Inserted in a generously sized property, this property includes a project comprising 18 accommodation units, functionally distributed in three distinct nuclei: the main body of villas with 10 units, a set of 3 units located at the entrance and, in a more reserved area, at the back, another 5 units, guaranteeing privacy and diversity of use. The property also includes an area for reception and logistical support, ideal for the efficient management of the development, whether for tourism or another accommodation concept. On the south side of the plot, there is a pleasant leisure area with a swimming pool and a large...
