Located in downtown Porto, the Bonjardim development is an architectural project with 93 new flats of typologies from T0 to T4, with noble materials and unique design details where tradition meets a contemporary side. The apartments, with areas between 35 and 200 m², are spacious, with high quality finishings that add elements of sophistication and well-being, such as the windows with lacquered aluminium frames and aluminium shutters, which guarantee maximum comfort in the city centre. The false ceilings, the multi-layered riga flooring, the lacquered cupboards and the air-conditioning system provide a cosy atmosphere in a perfect balance between comfort and aesthetics. Kitchen equipped with Smeg appliances and bathrooms with suspende...
