New-build two-bedroom apartment in the Vallada City Flats development, next to an extensive public garden in the center of Porto. This city flat is highly functional and well-organised, boasting an open-concept living room and a fully equipped kitchen with Siemens appliances. Modern sanitary ware is suspended in the bathrooms, and the bedrooms include built-in wardrobes. With unique design details and quality materials, the light tones throughout the apartment reflect the natural light coming in, creating a modern and welcoming atmosphere. The flat has a balcony and a parking space. Also noteworthy is the development's security, with a CCTV video surveillance system and motorized garage gate. This apartment's location is one of i...
