ANTAS PRIME: 3 BEDROOM FLAT WITH BALCONY AND TERRACE IN PORTO PORTUGAL

Ref. LS05570-J

€ 530 000

New 3-bedroom apartment with balcony, terrace and parking space in a residential condominium located next to the Estádio do Dragão metro station in Porto. Inserted in the Antas Prime residential development, this 3-bedroom apartment stands out for its balance between contemporary architecture, comfort and functional urban living, in one of the most consolidated and modern areas of the city of Porto. The organization of the space favours large, well-distributed areas, with a clear separation between social and private areas. The living room benefits from excellent natural light, through large windows that open onto a generous balcony that extends the social area and reinforces the connection to the outside, creating a versatile spa...
