THREE REHABILITATION UNITS IN THE HEART OF RIBEIRA IN PORTO, PORTUGAL

Ref. LS05736

€ 950 000

Located in one of the most iconic and sought-after areas of Porto's historic center, in the heart of Ribeira, this property comprises three separate units on the 4th, 5th, and 6th floors of a six-story building. The three units will allow the future owner to develop a custom project, taking advantage of the unique characteristics of a building situated in one of the city's most recognizable urban settings. The location is, of course, one of this property's key attributes: just a few steps from the Douro River, the Ribeira, and some of Porto's most important tourist landmarks, restaurants, and cultural venues, it benefits from strong tourist and residential demand, coupled with the growing appreciation of the historic center.
