Located in one of the most privileged areas in downtown Porto, the enterprise "Sá da Bandeira 502", is a project of recovery of a building from the 30's, authored by the Office Pedro Ferreira Architecture Studio, combining all the classical and traditional features of the building with maximum comfort, modernity and sophistication. The apartments with areas between 55 and 58 m², enjoy a functional layout and balanced areas, highlighting the luxury finishings, such as the multilayer oak floors, the lacquered carpentry and the bathrooms covered in natural marble and with suspended sanitary ware. They also have pleasant outdoor spaces. With a privileged location in downtown Porto, near the Bolhão Market and Rua de Santa Catarina, comm...
